

## SUMMER JOB ANNOUNCEMENT

**Help our communities and watersheds recover from the Hermit's Peak - Calf Canyon Fire and build professional skills at the same time!**

**Job Title:** Post-Fire Watershed Restoration Field Crew

**Job Description:** HPWA is hiring 14 people to serve on two seasonal field work crews. One is a Youth Conservation Corps (YCC) crew, with 9 crew members, ages 14-25. And one is a general crew, with 5 crew members of any age. All crew members will receive mandatory, paid, 2 weeks of training and then work for 10 weeks in the field doing on-the-ground post-fire watershed restoration. Job details are:

- Work period - May 29, 2024 – August 20, 2024
- Full-time – 40 hours/week
- YCC Crew Member Wage - \$15/hour
- General Crew Member Wage - \$18/hour

Crew members should be able to take instruction from crew leaders and assist other crew members in accomplishing restoration or land management projects.

All members should have the ability to do hard physical work needed for building log and rock structures for erosion control, seeding, mulching, and other restoration in a variety of outdoor terrains and weather. The ability to hike in and out of remote job sites and carry equipment and supplies is required.

**Job Qualifications:**

- Comfortable and physically able to work hard outdoors in challenging conditions
- Can lift up to 75 lbs, and carry 40 lbs for some distance
- Background or experience in natural resource management or restoration is desirable but not required (you will be trained)
- Proficiency with a variety of hand tools (shovels, digging bars, picks, log carriers) is desirable

- Strong verbal communication skills with team members, landowners, and the public
- Ability to work together as a team

**Application Due Date:** April 1, 2024

**Job Interviews:** April 8-30, 2024

**Application:**
